

The Mercure Delémont hotel offers an authentic and refined experience in the heart of the Jura. Its 44 rooms decorated in the colours of the region offer top-of-the-range comfort. For relaxation, there is nothing better than the iron ore and spruce bar and breakfast area or the sauna. The hotel is ideally located in the new, modern and lively La Poste pedestrian precinct, just a stone's throw from the old town and 50 metres from Delémont railway station, and easily accessible from Basel-Mulhouse-Fribourg international airport. The Mercure Delémont hotel is the perfect base from which to discover the Jura; an opportunity to enjoy lovely walks, cycle rides and horse-riding among the hills, rivers and fields.
